EVENT FORMAT

The event format is simple and easy to follow. Initial heats involve 4 X riders, 20 minute heats with 50% progression into the next round. Once this filters through, we move to rider-on-rider format for the remainder of the event, giving the riders more opportunity to exploit their talent in a battle type format right through to the final.

The mobile contest can choose between locations from North Wall, Town Beach and South to Lighthouse Beach ensuring the best possible conditions. After the events final heat, we will move back for the official presentation, followed by food and drinks.
